

1 Petitioners Maka Langfeld, Pauline Rizzuti, Patrick Skain, and Thomas Steckman filed a
2 Petition For Writ Of Mandamus And Complaint For Declaratory And Injunctive Relief ("Petition")
3 alleging four causes of action. On October 14, 2008, the Court sustained the Demurrer of
4 Respondents City and County of San Francisco and the San Francisco Board of Supervisors
5 ("Respondents") and of Defendant-Intervenors Community Center Project of San Francisco and St.
6 Peter's Housing Committee ("Intervenors") to each cause of action in the Petition without leave to
7 amend. That order leaves no causes of action for adjudication.

8 Accordingly, this Court orders, adjudges and decrees as follows:

- 9 1. The Petition is hereby dismissed with prejudice.
10 2. Judgment shall be entered in favor of Respondents and Intervenors.
11 3. Respondents may recover their costs herein, unless otherwise agreed upon.
